GENERAL MEETING DATED 28 MAY 2018**

**REPORT OF THE BOARD OF DIRECTORS ON EXTRAORDINARY DECISIONS**

---

Dear Shareholders,

We have called the Shareholders’ General Annual Meeting to inform you on the proposed transactions.

This report completed the Management report of the fiscal year ended on 31 December 2017.

**I. COMPANY’S AFFAIRS**

In 2017, the Company continued the commercialization of its solutions to pharmaceutical companies in clinical trials as well as to institutions such as hospitals, cancer centers and clinics for applications in clinical routine.

The turnover for the year amounted to EUR 7,686,026 compared to EUR 6,353,458 for the previous year. On 31 December 2017, the Company had a cash flow of EUR 27,858,614 compared to EUR 41,639,037 for the previous year.

During the 2017 financial year, the Company comprised an average of 84 employees.

The US subsidiary of the Company, MEDIAN TECHNOLOGIES Inc., comprised 30 employees as of 31 December 2017.

During the financial year, the turnover of this American Subsidiary amounted to USD 6 789 478 (i.e. EUR 6 010 086 ). Similarly to the previous financial year, MEDIAN Technologies Inc.’s turnover is due to the introduction in 2014 of a "cost-plus" contract between the parent company and its subsidiary. Thus, the total turnover in 2017 corresponds to the invoicing of costs to the Company.

The Company also owns the entire share capital and voting right of MEDIAN TECHNOLOGIES Hong Kong, the Hong Kongese subsidiary of the Company (hereinafter the “**HK Subsidiary**”).

The HK Subsidiary currently has no employees.

The opening of this Hong Kongese subsidiary should allow us to directly apprehend the Asian markets and supervise all operations carried out in the region for clinical trials but also to develop new opportunities in the field of patient care.

This authorization is linked to resolution 13 related to the authorization conferred to the Company to purchase its own shares pursuant to Article L. 225-209 of the French Commercial Code.

In this context, the Board of Director would be authorized to proceed, at any time, in one or several times, to the reduction of the share capital of the Company by cancelling shares that the Company would have acquired further to an authorization granted by the General Shareholders' Meeting, representing up to 10% of the share capital as of the date of cancellation, for periods of eighteen (18) months at a time.

The Board of Directors shall have full powers to implement this authorization, sub-delegate to the General Manager or, as mutually agreed with him, to one or more Deputy General Managers, under the conditions laid down by law, to implement this authorization, within the limits and under the conditions specified above, in particular to:

When the Board of Directors shall use this authorization, it shall prepare an additional report to the next Annual General Meeting, as certified by the Statutory Auditors and describing the terms of use this authorization.

**4. Authorization to be given to the Board of Directors for the issuance of shares and securities that are equity securities giving access to other shares or entitling the allocation of debt securities and/or securities granting access to the share capital of the Company without preferential right in the context of offering referred to in Article L.411-2, II of the French financial and monetary Code (resolution n°17)**

Pursuant to this resolution, the General Meeting would be asked to authorize the Board of Directors, for a period of **eighteen (18) months** from the date of this Meeting, to decide the issuance, in France or abroad, by way of offers referred to in Section II of Article L.411-2 of the French Monetary and Financial Code (i) shares of the Company and (ii) securities that are equity securities giving access to other shares or entitling the allocation of debt securities and/or securities giving access to existing shares or new shares of the Company, which may be subscribed for in cash or by offsetting receivables.

The issuance of preference shares and of securities giving immediate or future access to preference shares will be specifically excluded. The offers referred to in Section II of Article L.411-2 of the French Monetary and Financial Code, carried out pursuant to this resolution may be associated, in the context of the same issuance or of several issuances made simultaneously to public offerings.

The General Meeting would be asked to cancel the preferential subscription right of shareholders to these shares and securities to be issued by means of offers referred to in Section II of Article L.411-2 of the French Monetary and Financial Code as provided for in this resolution.

The maximum amount of the total face value of the capital increases, that may be made immediately or in the future pursuant to this authorization, will be limited pursuant to the provisions of **Article L. 225-136 3°) of the French Commercial Code**. The securities issued may, if appropriate, be accompanied by warrants giving right to the allocation, acquisition or subscription of bonds or other securities representing debt instruments or include an option for the Company to issue debt securities (fungible or non-fungible) in payment of interest whose disbursement has been suspended by the Company.

If the subscriptions do not cover the total number of issued shares, the Board of Directors may limit the amount of the transaction to the amount of subscriptions, provided that it reaches at least three quarters of the issuance decided.

This authorization would entail the waiver by shareholders of their preferential subscription rights to shares of the Company to which the securities to be issued pursuant to this authorization may give right.

The Board of Directors should determine the characteristics, amount and terms of any issuance and of the securities issued.

In particular, it should determine the category of securities issued and set their subscription price, the date may be retroactive and, if applicable, the duration or manner of exercise of rights attached to the new shares, if any, rights to conversion, exchange, redemption, including by delivery of assets such as securities already issued by the Company; it being specified that:

The Board of Directors should have full powers to implement this resolution, sub-delegate to the General Manager or, as mutually agreed with him, to one or more Deputy General Managers, under the conditions laid down by law, to implement this authorization, including by entering into any agreement for this purpose, especially to successfully complete any issuance, and to proceed to, on one or more occasions, and in such amounts and at the time it deems appropriate, the aforementioned issuances, as well as, if need be, to delay such, acknowledge its completion and proceed to the related amendments of the By-laws, and to carry out all formalities and declarations and request all authorizations that may be necessary for the completion and the proper performance of the issuances, and the admission to trading on the stock market of the new shares.

The Board of Directors may, at its sole discretion, charge the costs of any capital increases to the amount of issue premium(s) and deduct from this amount the sums needed to increase the legal reserve to a tenth of the new capital after each capital increase,

Suspend, if need be, the exercise of the share allocation rights attached to the existing securities for a period not to exceed three (3) months.

Finally, when the Board of Directors should use this authorization, it should prepare an additional report to the next Ordinary General Meeting, as certified by the Statutory Auditors and describing the terms of use this authorization.

Moreover, it is specified that the maximum nominal amount of capital increases that may be realized immediately or in the future by virtue of the authorizations mentioned in resolutions from 15 to 17 is set at **EUR 1.000,000** without premium.

This authorization will be given for a period of **eighteen (18) months**.
