

Personal data management of partners and contacts

Median Technologies processes personal data for the following purposes:

- The use of information relating to contacts and partners in the context of their professional's activities ;
- The creation of data directories and the management of these data.

This represents a legitimate interest for Median Technologies in keeping its database of partners and contacts up to date.

The data processed as part of this process is as follows:

- Identity, telephone numbers, postal and e-mail addresses;
- Profession, organization (company, local authority, association, etc.).

The data is intended for use by Median Technologies departments, each for its own purposes.

Data will be updated when we are informed of any changes.

You can exercise these rights by contacting Median Technologies at [dataprotection\[@\]mediantechnologies.com](mailto:dataprotection[@]mediantechnologies.com) or by letter to Service Juridique, Les Deux Arcs, 1800 Route des Crêtes Batiment B, 06560 Valbonne, France.

Median reserves the right to ask you to provide proof of your identity. You also have a right to appeal to the competent data protection authority (the CNIL in France).

For your information, Median has appointed a Data Protection Officer, who you can contact by email at [dpo.median\[@\]anaxia-conseil.fr](mailto:dpo.median[@]anaxia-conseil.fr).
