**SHAREHOLDERS' ANNUAL ORDINARY AND EXTRAORDINARY
GENERAL MEETING DATED JUNE 19, 2024**

REPORT OF THE BOARD OF DIRECTORS ON THE EXTRAORDINARY DECISIONS

Dear Shareholders,

We have called the Shareholders' General Annual Meeting to inform you on the proposed transactions.

This report completed the Management report of the fiscal year ended on December 31, 2023.

I. COMPANY'S AFFAIRS

The **iCRO** business unit generated 100 % of the Company's turnover for financier year 2023.

The Company's turnover amounted to € 15,665,037 compared to € 14,952,034 for the previous financial year, i.e. an increase of 5 %. Globally, the order book as of December 31, 2023 was € 66.9 million, Median's all-time high, driven by a record order intake in the fourth quarter of 2023.

Given these performances, as of December 31, 2023, the Company's cash flow and cash equivalents amounted to € EUR 19,507 K. The payment of the Research Tax Credit 2022 was made in September 2023, for an amount of € 1.6 M.

The **Eyonis**[®] business unit did not generate any revenue during the financial year as it is in the investment phase (Software, Clinical and Scientific) for new products and services. In 2022, Median continued its Research and Development activities for its Eyonis[®] platform and confirmed the relevance of its technology by publishing a new series of promising clinical results.

For the fiscal year ending on December 31, 2023, the average number of employees is 179.

1. The Company owns the entire share capital and voting right of **MEDIAN TECHNOLOGIES, INC.**, the US subsidiary of the Company (hereinafter the "**US Subsidiary**").

The US Subsidiary comprised 22 employees as of December 31, 2023.

During the financial year, the turnover of the US Subsidiary amounted to USD 3,767 K (i.e. EUR 3,483 K). Like the previous financial year, MEDIAN TECHNOLOGIES INC's turnover is due to the introduction in 2014 of a "cost-plus" contract between the parent company and its subsidiary. Thus, the total turnover in 2023 corresponds to the invoicing of costs to the Company.

2. The Company also owns the entire share capital and voting right of **MEDIAN MEDICAL TECHNOLOGY (SHANGHAI) CO., LTD**, the Chinese subsidiary of the Company (hereinafter the "**CN Subsidiary**").

The CN Subsidiary comprised 55 employees as of December 31, 2023.

During the financial year, the turnover of the CN Subsidiary amounted to RMB 64,329 K (i.e. EUR 8,589 K). This corresponds also to invoicing of services performed for Median technologies SA in the amount of RMB 767 K (EUR 100 K). The remaining turnover corresponds to medical imaging services provisions performed as part of clinical trials contracted these last years with the Chinese companies.

II. MAJOR DEVELOPMENTS SINCE THE END OF THE FINANCIAL YEAR

On January 4, 2024, Median Technologies drew down tranche B of the EIB loan for an amount of €8.5 million, corresponding to the final financing tranche of the loan. The main characteristics of tranche B are as follows:

- The loan is granted in euros for a duration of 5 years, until January 4, 2029.
- The loan amount bears interest at a fixed rate of 5%, along with a 5% PIK (Payment In Kind) interest rate.
- Fixed interest is calculated annually and capitalized each year into the outstanding principal amount. PIK interest, on the other hand, is due and payable annually.
- The principal of the loan is repayable in full at maturity.
- In consideration for the loan and the disbursement of the second tranche of €15 million, 300,000 BSA-EIB-B warrants were issued to the benefit of the EIB at the end of 2023.

On January 16, 2024, the Company established Median Eyonis Inc. to anticipate its development and prepare for the launch of its business unit activities in the United States. Recruitment efforts are set to commence in the second half of 2024.

On January 17, 2024, Median Technologies announced that it had achieved highly positive results in the independent verification study of its eyonis™ LCS (Lung Cancer Screening) CADe/CADx medical device software.

In this context, the Board of Director would be authorized to proceed, at any time, in one or several times, to the reduction of the share capital of the Company by cancelling shares that the Company would have acquired further to an authorization granted by the General Shareholders' Meeting, representing up to 10% of the share capital as of the date of cancellation, for periods of eighteen (18) months at a time.

The General Meeting would be asked to acknowledge that this authorization automatically entails in favor of the holder of securities giving access to Company shares to be issued in the context of this resolution the waiver by the shareholders of their preferential subscription rights to shares they would have been entitled to by such securities.

This maximum amount shall be deducted by the maximum authorized amount set forth in the 20nd resolution,

If the subscriptions do not cover the total number of issued shares, the Board of Directors may limit the amount of the transaction to the amount of subscriptions, provided that it reaches at least three quarters of the issuance decided.

In the event the Board of Directors would use this authorization, it shall prepare a supplementary report to the next Ordinary General Meeting, as certified by the Statutory Auditors, describing the conditions under which it uses this authorization.

4. Authorization to be given to the Board of Directors for the issuance of shares and securities that are equity securities giving access to other shares or entitling the allocation of debt securities and/or securities granting access to the share capital of the Company without preferential right in the context of offering referred to in Article L.411-2, 1° of the French Monetary and Financial Code (resolution n°17)

Pursuant to this resolution, the General Meeting would be asked to authorize the Board of Directors, for a period of **eighteen (18) months** from the date of this Meeting, to decide the issuance, in France or abroad, by way of offers referred to in Section 1° of article L.411-2 of the French Monetary and Financial Code (i) shares of the Company (including, as the case may be, represented by American Depositary Shares – ADS – or American Depositary Receipts – ADR) and (ii) securities that are equity securities giving access to other shares or entitling the allocation of debt securities and/or securities giving access to existing shares or new shares of the Company, which may be subscribed for in cash or by offsetting receivables.

The issuance of preference shares and of securities giving immediate or future access to preference shares will be specifically excluded. The offers referred to in Section 1° of article L.411-2 of the French Monetary and Financial Code, carried out pursuant to this resolution may be associated, in the context of the same issuance or of several issuances made simultaneously to public offerings.

The General Meeting would be asked to cancel the preferential subscription right of shareholders to these shares and securities to be issued by means of offers referred to in Section 1° of article L.411-2 of the French Monetary and Financial Code as provided for in this resolution.

The maximum amount of the total face value of the capital increases, that may be made immediately or in the future pursuant to this authorization, will be limited pursuant to the provisions of **article L.225-136, 2°) of the French Commercial Code**. This maximum amount shall be deducted by the maximum authorized amount set forth in the 20nd resolution.

The nominal amount of shares that may be issued in respect of adjustments made to protect the rights of holders of securities giving access to shares shall be added to the maximum authorized amount set by this resolution.

The securities giving access to shares so issued may consist of debt securities or be associated with the issuance of such securities or allow their issuance as intermediate securities. They may take the form of subordinated or non-subordinated securities with a determined or undetermined term, and be issued in EUROS or in foreign currencies or in any monetary units established by reference to several currencies.

If the subscriptions do not cover the total number of issued shares, the Board of Directors may limit the amount of the transaction to the amount of subscriptions, provided that it reaches at least three quarters of the issuance decided.

This authorization would entail the waiver by shareholders of their preferential subscription rights to shares of the Company to which the securities to be issued pursuant to this authorization may give right.

The Board of Directors should determine the characteristics, amount and terms of any issuance and of the securities issued.

In particular, it should determine the category of securities issued and set their subscription price, the date may be retroactive and, if applicable, the duration or manner of exercise of rights attached to the new shares, if any, rights to conversion, exchange, redemption, including by delivery of assets such as securities already issued by the Company; it being specified that:

The Board of Directors may, if need be, amend the terms of the securities issued or to be issued under this resolution during the life of the securities and in compliance with applicable formalities.

any other capital transaction (including potential changes in the control of the Company) or equity transaction, and fix the terms according to which, if need be, the rights of holders of securities giving access to capital shall be protected.

The Board of Directors should have full powers to implement this resolution, sub-delegate to the General Manager or, as mutually agreed with him, to one or more Deputy General Managers, under the conditions laid down by law, to implement this authorization, including by entering into any agreement for this purpose, especially to successfully complete any issuance, and to proceed to, on one or more occasions, and in such amounts and at the time it deems appropriate, the aforementioned issuances, as well as, if need be, to delay such, acknowledge its completion and proceed to the related amendments of the By-laws, and to carry out all formalities and declarations and request all authorizations that may be necessary for the completion and the proper performance of the issuances, and the admission to trading on the stock market of the new shares.

The Board of Directors may, at its sole discretion, charge the costs of any capital increases to the amount of issue premium(s) and deduct from this amount the sums needed to increase the legal reserve to a tenth of the new capital after each capital increase,

Suspend, if need be, the exercise of the share allocation rights attached to the existing securities for a period not to exceed three (3) months.

In the event the Board of Directors would use this authorization, it shall prepare a supplementary report to the next Ordinary General Meeting, as certified by the Statutory Auditors, describing the conditions under which it uses this authorization.

- The maximum amount of the total face value of the capital increases that may be made immediately or in the future pursuant to this authorization shall be **EUR 3,000,000**, this amount being then increased by the issue premium. This maximum amount shall be deducted by the maximum authorized amount set forth in the 20nd resolution

- This maximum authorized amount shall be deducted, if applicable, by the nominal amount of the additional shares to be issued, in the event of new financial transactions to protect the rights of holders of securities giving access to the capital.

The nominal amount of the debt securities thus issued may not exceed EUR 80,000,000 or their equivalent value on the date of the decision to issue, it being specified that this amount does not include the redemption premium(s) above par, if any.

This authorization will be given for a period of **eighteen (18) months**.
