## Median Technologies to showcase iCRO's central and AI-powered imaging services for oncology clinical trials at ASCO 2025

- Median is a leading provider of imaging services to the world's top oncology pharma companies
- ASCO abstracts position Median as highly differentiated provider of AI-imaging services for oncology trials
- Median will host two presentation sessions to introduce its new solution for radiopharmaceutical image processing for oncology research at booth #11046

**Sophia Antipolis, France :** Median Technologies (*FR0011049824, ALMDT, PEA-PME scheme eligible, "Median" or the "Company"*), manufacturer of eyonis®, a suite of artificial intelligence (AI) powered Software as a Medical Device (SaMD) for early cancer diagnosis, and a globally leading provider of AI-based image analyses and central imaging services for oncology drug developers, announced today that the Company will be participating in the 2025 American Society of Clinical Oncology (ASCO) Annual Meeting taking place from May 30 to June 2, McCormick Place, Chicago, IL, USA.

Median's team will be hosting interested parties at **booth #11046**, South Building, Hall A, McCormick Place, from May 31 to June 2 (exhibit dates), from 9:00 am to 5:00 pm CT, where it will share the most recent advances for its central and AI-powered imaging services for oncology clinical trials.

Median Technologies' abstracts selected for online publication are available on the ASCO platform:

**Abstract e24073:** [Technical Performance of the L3 Skeletal Muscle Index in CT](#)

**Abstract e13590:** [Using tumor growth modeling and informed neural networks as early predictive clinical endpoints](#)

Median will host two 30-minute presentation sessions on how the Company's new solution for radiopharmaceutical image processing is advancing oncology research. Sessions will take place at booth #11046 on Saturday, May 31 and Sunday, June 1, 11:30 am -12:00 pm CT.

The ASCO Annual Meeting is the world's premier oncology conference, organized by the American Society of Clinical Oncology, the largest oncology society in the world. Each year, the ASCO conference brings together more than 35,000 oncologists from all around the globe, and is attended by all medical, educational and industrial stakeholders involved in the field of oncology worldwide.
